units	course code	course name	term/year	course f nal grade	GPA to date

Elective	Courses:	units needed
Elective	Coul 562.	units neede

units	course code	course name	term/year	course f nal grade	GPA to date

## Certificate planning worksheet

If you are concurrently earning a certif cate with a degree, you can apply some units (not all) from the certif cate towards your degree (or vice-versa). Check the "program plan" section on each certif cate page on the ASO Website for information about how many units can be double-counted for each certif cate.

Certif cate Courses: \_\_\_\_units needed
