

stakeholders, working with both the IMF and Revenue Watch. The amended code matches international norms and is aimed to attract investors in a challenging global economic context.

Security Environment Overview

One transnational security concern is Guinea

occur and intensify in the lead up to the presidential elections scheduled for October 11, 2015. The electoral commission in March broke a 2013 agreement to have local elections before presidential elections, which caused an outbreak of protests.

- The Organisation Guinéenne de Défense des Droits de l'Homme et du Citoyen (OGDH) promotes and defends the human rights of all people in Guinea. This organization hosts training workshops and seminars to educate the public on human rights.
- The United Nations Children's Fund (UNICEF) promotes the rights and wellbeing of children and women recognizing the importance of early childhood development. They focus on disadvantaged children living in fragile contexts and those affected by rapid urbanization and environmental degradation.
- Lien De Brouckere is a Consultant on Mining, Communities and Human Rights in Guinea for the American Bar Association Rule of Law Association and at One Earth Foundation. She is an expert in developing toolkits and practical guidance for civil society organizations and community facilitators to support equitable, rights-compatible and peaceful resource extraction.

Private Sector

- Guinea Alumina Corporation (GAC) is a mining development company, and a subsidiary
