have little impact. Nothing could be further from the truth. Consider for a moment the fact that there are nearly 10,000 Arts and Science Alumni. Suppose that just half of you gave \$1 a day – less than the price of a cup of coffee, this would generate well over \$18 million a year: a sum that would have a significant impact. Every dollar that you can give will help make a difference. We hope many of you will show your support during our Initiative Campaign and help to make a difference to our learning environment in the Faculty.
