

STUDENT ONQ REVIEW SIMILARITY SCORE AND REPORT

Once you have uploaded an assignment to Turnitin through onQ you will be able to access your Similarity score and report if your instructor has given you permission to view them.

1. On the navbar, select **Assessments** under the **Assessments** tab.

2. On the Assignment Submission Folder page, click the number (1 in example below) under the Submissions column of the Assignment you want to view.

A screenshot of the onQ 'Assignment Submission Folders' page. The page shows a table with the following columns: Submission Folder, Score, Submissions, Feedback, and Due Date. The table contains one row for 'Assignment 1' with a score of '- / 100', 1 submission, and a due date of 'Jul 24, 2018 4:16 PM'. A red circle with the number '2' is overlaid on the '1' in the Submissions column, indicating it should be clicked.
